*With kindness, respect and gratitude, together we aim high in all we do*

## Headteacher's message:

Highlights of this penultimate week have been a hugely successful transition or 'Going Up' day together with a brilliant music concert, and Year 6's annual enterprise project, 'The Pound Grow'.

You will have received your child's end of year report this week which included your child's comments and an opportunity for you to leave feedback. Please make sure you send your comment sheet back into school.

## Y5/6 Cricket Team give 100%

It's been ten years since our last appearance at The Cricket County Finals and we couldn't be more proud of our Y5/6 team. They all gave 100% effort in every game — it doesn't get any better than that!

## Rescheduled Sport's Day—17/07/23

Reminder that the rescheduled sports' day is this **Monday 17th July at our Proffits Lane site (KS2 at 09.45am KS1 at 1.30pm)**. Please note that we have to consider how safe the grass will be with the current unsettled weather. If the forecast does raise safety concerns, a decision will be made on Sunday evening and a message sent out.

**Parking: There will be space to park on the field.**

## Book Swap— Monday 17/07/23

Next week, we will be holding another of our school book swap events. Children may bring up to 3 books that they no longer want (in good condition and suitable for their age group please - no baby/toddler books thank you). These should be brought into school on Monday please, so that the books can be sorted and displayed in our "book swap shop" on Tuesday morning when children can then choose their "new" books. This is a great way of getting some new books to read over the summer holiday without paying a penny and has always been very well supported. We hope that the children find something new to fire their reading interest!

## Tuesday 'Going Up Day'

'Going up day' was a huge success with all children getting to know their new classrooms, teachers and teaching assistants. Our adults enjoyed getting to know their new students and look forward to receiving them properly in September.

## Music Concert

Our guitarists, pianists, band, choir and recorders put on a fabulous show this morning. It was great to see them confidently perform for an audience of parents and Year 2.

## Year 3 climb Helsby!

Year 3 have had a great time doing their geography field-work. They walked 2 miles climbing 400ft, conducted a tree survey of a deciduous forest and spotting human and physical features from the summit.

And a special mention to our litter pickers who made sure Y3 left Helsby Hill cleaner than they found it!

## Hammond School Drama Workshop

On Wednesday, Y7/8/9 Hammond School Drama students joined us as part of their 2023 outreach project entitled 'Me, myself and I'. They led workshops for Years 5 and 6 which culminated in a performance.

## Pound Grow

Year 6 completed their annual 'Pound Grow' enterprise project this week. After planning how they could make their pounds grow in the classroom, they sold a range of products and games to the rest of the school. The profitability of their endeavours will be shared in next weeks newsletter.

## Lost Property

Lost property items will be put out next Tuesday and Wednesday after school for collection (table by main entrance or in hall if wet!). Items not collected will be recycled.

## Forgotten items

Please help us and your children by ensuring that they come to school with the correct items. There seems to be an increase in phone calls needed recently asking parents to bring in PE Kits, lunch boxes, water bottles, and other items.

## Toby gives it his all!

On Sunday Toby (Y3) captained his Runcorn Linnets football team in the Liverpool Summer League cup final. Unfortunately the result ended in a 2 -1 defeat but Toby gave it his all and worked hard for his team. Well done Toby!
