

## Summer Reading

We all know how important it is to keep reading over the summer break and how much pleasure can be got from a good book. Here are some ways to keep reading going over the holidays ....

### Summer Book Swap – Tuesday 18<sup>th</sup> July

Next week, we will be holding another of our school book swap events. Children may bring up to 3 books that they no longer want (*in good condition and suitable for their age group please - no baby/toddler books thank you*).

These should be brought into school on **Monday** please, so that the books can be sorted and displayed in our "book swap shop" on **Tuesday** morning when children can then choose their "new" books. This is a great way of getting some new books to read over the summer holiday without paying a penny and has always been very well supported. We hope that the children find something new to fire their reading interest!
