Weekly Bulletin

With kindness, respect and gratitude, together we aim high in all we do

Headteacher's message:

It has been wonderful to see the children back in school this week. I would like to extend a special welcome to the children and families of our new reception class (pictured below) as well as new children who have joined our Y4 and Y5 classes.

In this weekly bulletin, I hope to keep you informed of any whole school messages you may need to know. Please check your emails for your child's class weekly round-up which is sent every Friday. This will give you an insight into the week's learning and talking points for you to have with your child.

Adam Khan—Headteacher

Clubs

Clubs start next week (with the exception of Netball which starts the week after). Running clubs will start at 8.05am. Please ensure children are here on time so that we can all leave promptly. Runners should come into school in their running clothes with their school uniforms in a bag to put on after the club. All other clubs will run from the end of the school day till 4.15pm. Please collect children from the KS1 playground. Club details can be found [here](#).

A separate message from Miss Jagota about **gardening club**: We are looking forward to our first gardening club next week. We are hoping to improve our outdoor learning areas, so if you have any plant cuttings, spare bulbs or seeds that our budding gardeners could use please send them to school. We would also appreciate any donations of old gardening tools, trowels, gardening gloves etc. Thank you—Miss Jagota

Friends of Hillside:

FOH can be contacted on friendsofhillsidefundraising@outlook.com

Reception 2024 Open Days

We will be inviting prospective parents for Reception 2024 intake into school for an open morning on Friday 29th September (9.30—11.30am) and an open afternoon on Monday 2nd October (1.30—3pm). Please pass the word on to any parents you know who may be interested in joining our fantastic school.

Buildings, maintenance and local roadworks.

You will have been aware of roof repairs being carried out. We are hopeful that these will be completed this weekend. In addition we had an emergency a gas repair carried out over the final week of the holidays which we are grateful to have been completed in time for the school opening. We are very keen, as I'm sure you are too, to have the full premises available for school use within the week.

Thank you for your patience in dealing with the local gas works that have limited parking and slowed the movement of traffic. Please continue to give more time for drop offs so that the children do not miss any class teaching.

Link Club

We now have places available in our before and after school provision. If you would like to use this provision or would like further information please email us at linkclub@hillside.cheshire.sch.uk more information can also be found on the [school website](#)
