With kindness, respect and gratitude, together we aim high in all we do

Headteacher's message:

It has been a cold and frosty week. The children were very excited about the snow on Tuesday and were delighted to enjoy playing in it before it melted. Back in the warm classrooms, children have been working hard across the curriculum. This week, I have had the pleasure of teaching in Years 1 and 2 as well as supporting in Reception and it has been a treat to have had more time to see how well our KS1 children are developing. Teachers have been busy assessing children's attainment this week which will be shared on the forthcoming Spring Report Card and can be discussed at parents' evenings in February.

Well done to our Y6 Mathematicians (Max, Sam, William and Charlie) who won the Helsby High School Maths challenge against 5 local schools today.

We strive to offer as many additional experiences for our children and this is an example. Thanks to Mrs Moore for constantly securing these opportunities and Sports Coaching Group for providing this half term's lessons.

Y2 investigate where our food comes from

Y2 visited Frodsham today to learn the journey of the food we eat. Thanks to Morrisons, Devonshire Bakery and Cowards Butchers for inviting the children to see first hand how they receive, prepare and sell some of the foods we eat. The group even got a sausage roll from Cowards.
