## Headteacher's message:

Another busy week of learning was complimented today by a visit from Mike Amesbury MP. Hillside class representatives did a fantastic job asking Mike some challenging questions. Mike was then treated to a tour of the school and was suitably impressed by the children's confidence and engagement.

## Athletics winners progress to next stage

Well done to our fabulous Y5/6 athletics team. At Thursday's FAVSP event, every athlete contributed to the final top score. The next round takes place next Wednesday. Thank you to Mrs Moore for organising and to the parents who helped with transport.

## Netball finalist win Bronze

Our netball team played their socks off on Wednesday, returning to school with 8 bronze medals. Mrs Porter and Mrs Moore couldn't be prouder of their performances over the past few weeks.

## Medication Reminder

Can we please remind parents that any medication children need to take during school time needs to be brought into school by a parent and a medicine form completed for the office. There have been instances of children having medicines loose in their bags.

## Thank you to Emi Howe—Screens Skills Speaker

Thank you to the parents who joined the Screen Skills Zoom Talk on Thursday night. It was really useful to explore how children's use of technology can be such a cause of stress and the importance of considering the negative impact of screen time alongside the benefits. Emi shared several important messages including, 'Is it an issue that our children are consuming content that we as parents have to pay for both financially and emotionally?' We hope to repeat this talk if parents are interested in taking part.
