## Headteacher's message:

It has been great to welcome back the children after the Easter holiday.

We look forward with excitement and confidence that that our Summer Term 2024 will be a huge success - full of learning, laughter and play.

Highlights from last week have included the Years 3 and 4 starting their weekly swimming lessons, our poetry winners enjoying their prize of a trip to the Tea Rooms and children taking part in this year's FOH coin competition. Thanks to Friends of Hillside for organising and all families who donated. On Friday, Year 6 presented an assembly on British Values.

This week, we look forward to Image Musical Theatre visiting and performing their production of 'The Selfish Giant' on Tuesday afternoon in the hall for the whole school.

Please ensure that you are accessing the weekly round-up prepared by your child's class teacher. This is a summary of the week's learning that we encourage you to discuss with your child. It also shares any important information or changes for the class the following week. This round-up is emailed at the end of the week and also published on the class page within the school website.

## London Marathon Success for Cora!

## FOH Family Fun Day - 18th May from 12pm

Friend of Hillside are delighted to announce that this Summer's Family Fun Day will take place at the school field on Saturday 18th May from 12pm. All children and families are welcome and entrance is free to all (including an ice-lolly!). You are welcome to bring a picnic or buy a burger from the Round Table tent.

## Stanley Cups

Recently, several children have started to bring Stanley drinking cups into school. These cups are not suitable for school due to their size, stability and not being leakproof. From a practical perspective, they are too big to be stored and are not suitable for sports events or trips. Thinking about affordability, we are aware that Stanley cups are very expensive (water bottles are often lost and damaged at school). We are also mindful of not encouraging a costly fashion accessory where parents feel obliged to buy expensive water bottles. In future, please can children use a regular water bottle that can be easily replaced if lost or damaged.
