With kindness, respect and gratitude, together we aim high in all we do

Headteacher's message:

Much has been going on in and out of school this week to celebrate. As we approach the warmer weather, please ensure children are coming into school with a full water bottle and appropriately dressed.

Following recent cases of headlice, can parents please ensure that they check their children's hair and treat any headlice accordingly and promptly.

Ensuring children develop 'a love of reading' from an early age is a key priority for us at Helsby Hillside. Reading unlocks so many doors in regards to children's enjoyment of the written word, development of their imagination and wider academic attainment. Please support us by ensuring that your children are reading regularly at home and that you are hearing them read. The children who are most successful academically, are those who read at home regularly.
