

Weekly Bulletin

With kindness, respect and gratitude, together we aim high in all we do.

Headteacher's message:

This week, along with some glorious weather, our children have been busy completing their summer assessments. These will inform us of where they are in their learning and be shared in the forthcoming Summer Report.

On Tuesday, Y4 were visited by James from Earth Energy Education who taught them all about the growth and importance of renewable energy sources. Then on Wednesday, he took them on a tour of the Wind Farm in Frodsham.

Reception class have not only had a visit from the police but also a fire engine. They were very excited to see the police officer (Lotti's uncle) put me in handcuffs.

Next week, we look forward to Nicola Brown leading an assembly linked to our guiding value of gratitude. Over Thursday and Friday, each class will also be taking part in visiting workshops linked to our personal, social and health education curriculum.

Adam Khan—Headteacher

Headteacher's Tea

I was joined by Hannah, Caila, Alex, Harry, Jack and Edwin on Thursday for Headteacher's Tea. It was lovely to hear how they are all doing. Each of them shared some work they were proud of and gave advice to the child in the year below about what to look forward to next year.

Melodie (Y6)

On Saturday, Melodie completed the Race for Life Mud Run raising money for Cancer Research.

She had to climb, crawl and slide her way around the Pretty Muddy® 5K obstacle course.

Well done Melodie!
