## Headteacher's message:

This week included Year 6's two transition days at Helsby High School and the rest of our children's 'Going-up Day' here at Hillside. We have also completed handover meetings between teachers to ensure a smooth transition for every child into their September class. It was also special day for our newest Hillsideers who were in school in their preparation for 'Going-Up' to Reception 24!

On Tuesday, our choir joined schools from across the area to sing in the 'Amazing' concert at Chester Cathedral. We were also joined by an ex-student, James Ashcroft, who toured each class performing a short guitar solo and taking questions. Each class enjoyed joining in.

On Wednesday, Jay and her guitarists led an assembly performing a few of their numbers and 'Miss J', from Evolution Dance was in working with Years 1 and 5.

Year 6 have had a very busy week. On Wednesday parents were invited to see Y6 in their 'Dr Who meets Music for Life' performance to celebrate 60 years of Dr Who. On Thursday, they performed again for parents with their Bible Explorers presentation. All children were brilliant and full of confidence which will stand them in good stead next year. Today they are at Go-Ape which we know will be great fun and another lovely memory of their last few weeks at Hillside.

As requested previously, can parents please provide details of symptoms or known illness to the office when informing us of children's absence. We are still getting messages of 'ill or unwell'. Can parents/grandparents please also take note that we can not have dogs on the premises. If you have to bring a dog with you when collecting your child, please wait outside of the gates.

Finally, we look forward to seeing as many of you as possible at tonight's Friends of Hillside Summer Fair. We appreciate all the support parents have given us in recent non-uniform days and of course the brilliant work of Friends of Hillside in putting on what will be an brilliant fundraiser and fun experience bringing our Hillside community together in support of our school.
